

## **Introduction**

- 1 This policy applies to those schools where Gofy MAT is the admission authority. It applies only to applications within the primary admissions round, that is when applying for a place in Reception as the normal year of entry to start primary or infant school for the first time.**
- 2 This policy complies with the Department for Education School Admissions Code 2021 and all relevant guidance on the admission of summer born children into primary and infant schools, specifically:**  
[Starting School: Guidance for parents and carers, early years settings, schools, professionals and admission authorities \(Cornwall Council\)](#)  
[Admission of summer born children: advice for local authorities and school admission authorities \(Department for Education\)](#)
- 3 The admission of children into the Reception year at an infant or primary school is a compli ngB r**

## **A Admissions into Reception**

- 1 Children will normally be admitted into the year group relevant to the child's age and will start full time in the school year they turn 5. All children will be offered the opportunity of a full time place from September in the year of entry.**
- 2 Children must be attending school on a full time basis when they reach statutory school age - at the start of the school term after the child turns 5**
  - Ad child born between 01 September and 31 December is of statutory school age from 01 January after they turn 5**
  - Ad child born between 01 January and 31 March is of statutory school age from 01 April after they turn 5**
  - Ad child born between 01 April and 31 August (a summer born child) is of statutory school age from 01 September after they turn 5**
- 3 Parent/carers who do not wish for their child to take up a full time place from September in the school year their child turns 5 have several options available to them, although these depend on their child's date of birth, including the right to**
  - request their child has a school place for some of the Reception year, until they are of statutory school age**
  - request their child can start attending school full time until they are of statutory school age, but in the same year group**
  - request their child can start attending school full time until they are of statutory school age, but in the following year group**
- 4 Information on these three options are included Sections CE of this policy, together with an example timetable in Section G**
- 5 Whether or not parent/carers decide to investigate these options further, an application for a school place for starting primary school should still be made between September and January in the school year a child turns 4. Further advice, key dates and information can be found on the Cornwall Council website: <https://www.cornwall.gov.uk/schools-and-education/schools-and-colleges/school-admissions>**

## **B Part-time provision**

- 1 After being allocated a school place on National Offer Day, parent/carers who are interested in starting their child at school on a part-time basis should ask their allocated school what part-time provision can be offered**

**Parent/carers should inform schools of their intention to start their child on a part-time basis b**

**A child born between 01 January and 31 March can be part time only from 01 September to 31 March**

**A child born between 01 April and 31 August (a summer born child) can be part time for the whole first Reception year of school**

## **C Defended Entry**

- 1 After being allocated a school place on National Offer Day, parent/carers who are interested in deferring the start of their child's schooling can do so only until their child is of statutory school age**
- 2 In these circumstances, parent/carers should clearly communicate their intended start date with their allocated school and keep in regular contact regarding any changes to this intended date. Parent/carers should inform schools of their intention to defer their child's start date by 31 May. There is no need to reapply for a school place as part of the decision to defer admission into the same year group unless deferring a summer born child to the following September. In this event, an application to Year 1 will need to be made at the correct time**

**A child born between 01 September and 31 December can defer the start of full-time school no later than 01 January**

**A child born between 01 January and 31 March can defer the start of full-time school no later than 01 April**

**A child born between 01 April and 31 August (a summer born child) can defer the start of full-time school no later than 01 September. As a result of a defended start date, this will be a place to start in Year 1. The child would then continue alongside their age-related peers for the duration of their time at school**

- 3 In the 20 school days before their intended start date, parent/carers should contact the school to make arrangements for the admission of their child**
- 4 Should a parent/carer not contact a school in the 20 school days before an intended and/or previously communicated start date, schools should make all reasonable efforts to contact the parent/carer by telephone and in writing at any known physical or email addresses. In any letters after failure to establish contact, the parent/carer should be informed that the allocated place may be withdrawn if they do not make contact within 10 school days. Schools should also then follow the relevant procedures for children whom may be missing in education and if necessary, seek the advice of the EWO**

**A sample letter is included as an Appendix to this policy**

- 5 School places may only then be withdrawn by the admission authority for the school, where Class above has been implemented fully and only where the allocated school has tried and failed to contact a parent/carer on a number of occasions**

## **D Delayed Entry and Handling Delayed Entry Requests**

### **Delayed Entry**

- 1. Parent/Carers of summer born children, that is children born between 01 April and 31 August, may request to delay their child's entry at the date of statutory school age in the following September into the Reception year – a younger year group**
- 2. Parent/Carers wishing to do this should still apply for a school place at the normal time – that is between September and January in the school year their child turns 4. At this time parent/carers should also put in writing that they wish to delay entry for their child to start Reception in the following September; by emailing the headteacher of the preferred school/s**

### **Handling Delayed Entry Requests**

**The Trust requests that all requests to delay entry are made in the Autumn term and no later than 1<sup>st</sup> December**

**In considering requests for delayed entry to the Reception year; Gofly MFL schools will follow the below procedure**

- 1. Parent to notify the headteacher of their preferred school/s of their wish to delay their child's entry to Year R**
- 2. The headteacher will provide the parent with a Delayed Entry Request Form and agree a date for a face to face meeting to discuss the circumstances of the request.**
- 3. Parents to attend the meeting with completed Delayed Entry Request Form and any additional information, where relevant.**

**Where a child has additional educational needs or involvement with health/social care professionals, it may be useful for the parent to submit this information in advance of the meeting so that the SEND team and/or SaLT can be invited to attend**

- 4. The headteacher will pass all information gathered at the meeting to the Director of Education for consideration. Circumstances which the Director of Education will take into account include parent/carers wishes, information about the child's academic, social and emotional development; whether they have previously been educated outside their normal age group, and in the case of children born prematurely, whether they would naturally have fallen into the lower age group if born at the expected time.**
- 5. The guidance makes it clear that decisions to delay entry to Year R must be made on a case by case basis and in the best interests of the child**

**Taking into account parents' views and any other information provided, the Director of Education may approve the request or; if further additional information is required, may refer the request to a panel of Trustees**

**Where the Director of Education believes that is in the best interest of the child to delay entry to Year R, they will approve the request, and will notify the parent and the headteacher:**

**Where the Director of Education requires further information to make a decision in the best interest of the child, they will refer the request to a panel of Trustees. The parent/s will be invited to attend a meeting of the Trust Admissions Panel to discuss the matter in greater depth. The Panel will make a decision and notify the parent, Director of Education and**
